

# SOUTHERN CALIFORNIA CHAPTER FRIENDS OF SCV

Chapter President: Ziane De Angelis

I \_\_\_\_\_ promise to always conduct myself in a manner that will reflect positively on the Sons of Confederate Veterans, its members, camps and divisions and especially the Confederate soldiers and sailors whose good names and military service the organization honors by its very existence . Furthermore, I declare that I am NOT a member of any anti-American or hate group such as the KKK, neo-Nazi or other White supremacy organizations, including groups whose objectives are contrary to the mission and purpose of the SCV and described above and in official SCV literature.
